

Dooly County High School Counseling and Guidance Plan

- **Mission**

The mission of the Dooly County High School Guidance and Counseling Department is to provide a comprehensive program that support the development and well-being of all students with the support of parents, educators, stakeholders, and the community that would allow students to reach their full potential academically, socially, and personally.

- **Goal**

To enhance an already in-place guidance program, develop a caring and encouraging relationship among the students, and a collaborative relationship among the faculty of Dooly County High School.

- **Vision**

Guiding students toward a path that leads to optimal opportunities for success academically, personally, and socially that will prepare the students of Dooly County High School to be productive, resourceful, and life-long learners.

- **Beliefs**

Counselors should be an advocate for all students

All students can learn

All students are important

Dooly County High Students can and will meet high expectations

Student are not just going to school, they are the school

- **Value Promise**

As I assist with the improvement initiative of Dooly County High School, I promise to add the following values:

to never take the responsibility of guiding and counseling our students lightly

to be friendly, approachable, fair, and open to suggestions

to have high expectations

to keep the vision strong

to keep the best interest of the student first

to display acts of kindness and encouragement
