

## **Dooly County High School Workplace Readiness Resource**

**Your child is enrolled in Workplace Readiness Resource classes at Dooly County High School. I am Peggy Nutt, your child's teacher in Special Education. Your child's course of study was developed at the last Annual Review and IEP development meeting. The goals and objectives developed at that meeting will be the curriculum we will work on in Resource class. We will also remediate, assist with regular classroom work, workplace readiness skills and other activities.**

**I am looking forward to working with your child this year. If you should have any problems, questions or concerns please feel free to contact me at (229) 268-8181. The best time to reach me is 2:00-3:00**
